Breakfast around the world

Breakfast is very important. When you eat a good healthy breakfast, you've got energy for the whole day. Read about breakfast in different countries around the world. Which one is your favourite?

A full English breakfast

What have we got here? There are beans, eggs, bacon, sausages, mushrooms and **toast**. I think it's tasty. In England, people drink coffee or tea with milk for breakfast. Many people eat a full English breakfast at weekends or when they're on holiday.

A Brazilian breakfast

In Brazil, people eat a small breakfast, but it is delicious. There is fresh bread, meat, cheese and butter. Of course, there is Brazilian coffee too. Children drink milk or orange **juice**. People eat this type of breakfast every day.

An Israeli breakfast

I think this breakfast is very healthy. There are **olives**, cheese, eggs, bread and jam. There's also a traditional cucumber and tomato salad. People drink coffee or apple juice. It is a popular breakfast, and many people in Israel eat it every day.

An American breakfast

In the USA, there are a lot of different types of breakfast. My favourite American breakfast is sweet pancakes with **maple syrup** and ... bacon. This breakfast is really tasty. People drink coffee or orange juice. Many people eat pancakes for breakfast at weekends.
